Re: General State Operating Permit for Concrete Plants No. 9900-0580

Dear Mr. Warner:

Enclosed is a revised "General Information" page and updated "Record of Revisions" page for General State Operating Permit for Concrete Plants No. GSOP01-9900-0580. These pages will replace the previously issued "General Information" and "Record of Revisions" pages mailed to you. Please note the conditions and limitations imposed. These pages are being issued to incorporate changes or revisions into your existing operating permit. Pursuant to the South Carolina Administrative Procedures Act, any Department decision involving the issuance, denial, suspension, or revocation of a permit or certification may be appealed by the applicant, permittee, licensee, or affected person. Please see the enclosed "Notice of Appeal Procedure" for guidelines on filing an appeal.

All other information documenting your facility's coverage under this permit remains unchanged. Please remember these pages serve as documentation of your facility's individual coverage under this general permit and should be kept with all other relative permit documents.

Please examine this new permit carefully for errors or omissions and notify the appropriate staff member, Jerisha Dukes, (803-898-4292) or E-mail at dukesjs@dhec.sc.gov promptly if any are discovered.

Sincerely,

Elizabeth J. Basil, Director
Engineering Services Division
Bureau of Air Quality
